PERSONAL AND CONFIDENTIAL

Regarding Case Number: 2018017701

Dear Clark,

The Department of Student Conduct and Community Standards has received information alleging your involvement in an incident on August 29, 2018, which may have violated the Code of Student Conduct. Specifically, you are alleged to have violated the following section(s) of the code:

- Engaging in or threatening physical abuse, verbal abuse, threats, intimidation, harassment, coercion, and/or other conduct which intentionally or recklessly threatens or endangers the health, welfare or safety of any person.

It is the role of my department to look into reports we receive about students who may have violated the Code of Student Conduct. To begin this process, we need to schedule a fact-finding meeting so that we can share with you the information we've received, as well as, give you an opportunity to share with us your perspective of the incident.

Please contact our office at 330-972-6380 to schedule an appointment at your earliest convenience. Please be advised that you have been placed on an interim suspension from the University of Akron until the completion of the University hearing process. As such, you are not permitted to enter campus for any reason except to attend appropriate disciplinary hearings regarding charges of Code of Student Conduct violations pending against you. A letter from Interim President John Green explaining the interim suspension has been attached for your records.

Recognizing that receipt of this letter may cause some students to experience anxiety; we have created a website (www.uakron.edu/studentconduct) that outlines the fact-finding process, your rights as a student, and the potential outcomes of the process. As a reminder, you may bring an adviser with you to our meeting. An adviser may be any person you choose, such as a friend (someone not involved in the situation), relative, mentor, even an attorney (that you hire at your own expense), who attends to provide emotional support to you during the meeting.

If you still have questions about our process after reviewing the enclosed brochures and our website, please feel free to call our office at 330-972-6380. However, please note that details of the incident will not be reviewed over the phone but rather during the above scheduled meeting.

Sincerely,
